Crusader Hose knows the importance of having a reliable fire hose to protect rural properties. As a manufacturer and supplier of fire hose to many fire brigades for over 35 years, the Excalibur fire hose in the domestic **Fire Hose Kit** is of the same quality as the commercial fire hose.

Features:

- ✓ Easy to handle
- ✓ High pressure
- ✓ Complete with coupling and nozzle
- ✓ Percolation option
- ✓ 12-month warranty

All **Fire Hose Kits** come in standard 20m or 30m lengths with secure factory-fitted crimped BSP fittings plus shut off nozzle. The coupling connects directly to your fire pump making it ideal for quick deployment in times of an emergency during and outside fire season.
