Fire Safety Service Technician

The Company

Fire System Services has more than 35 years of Fire Safety expertise using state-of-the-art technology operating across three divisions of:

- Fire
- Aviation
- Defence

Operating from a modern facility in the Wingfield area, the company services a range of customers across the Commercial and Government sectors,

About the role

As a Fire Technician at Fire System Services, you will play a crucial role in ensuring the safety and compliance of fire protection equipment across various commercial and industrial sites in the Adelaide metropolitan region. This is a full-time position based in Wingfield, SA.

What you'll be doing

- Carry out scheduled maintenance and testing of fire protection equipment such as fire extinguishers, fire hose reels, exit & emergency lighting systems and more
- Conduct detailed inspections and assessments of fire protection systems to identify and address deficiencies.
- Provide technical advice and support to customers on the appropriate use and maintenance of fire protection equipment.
- Respond promptly to emergency call-outs and troubleshoot issues with fire protection systems.
- Maintain accurate records and documentation of all service and maintenance activities.
- Ensure all work complies with relevant Australian Standards and fire safety regulations.

What we're looking for

- Formal qualifications in fire protection or a related technical trade
- Minimum 2 years' hands-on experience servicing and maintaining fire protection equipment
- Strong technical knowledge of fire protection systems and equipment
- Excellent problem-solving and diagnostic skills
- Exceptional customer service orientation and communication skills
- A keen eye for detail and the ability to work autonomously
- A current driver's licence and willingness to travel to job sites

What we offer

We are committed to providing our employees with a supportive and rewarding work environment at Fire System Services. You'll enjoy competitive remuneration, opportunities for career progression, and access to comprehensive training and development programs. Our focus on work-life balance means you'll also have the flexibility to manage your schedule and prioritise your well-being.

About us
